Employee Spotlight

If you have ever called into the Credit Union I'm sure you have had the pleasure of speaking to **Nicky Nantayot**. Nicky has been with the Credit Union for 5 years now as our Senior Accounting Clerk. Nicky graduated from Fresno State with a Bachelor's Degree in Business Entrepreneurship. During her time as a student at Fresno State she had the privilege to travel to China as part of a study abroad program. One of the things Nicky admires most about the Credit Union is the ability to get to know the members and their needs. "Because we are a smaller credit union it is nice to be able to understand and meet the needs of our members," says Nicky. We are so happy to have a wonderful employee like Nicky who puts our members' needs first.

Thoughts for the Quarter

"Be yourself; everyone else is already taken."

– OSCAR WILDE

"Twenty years from now you will be more disappointed by the things that you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover."

– H. JACKSON BROWN JR.

"For every minute you are angry you lose sixty seconds of happiness."

– RALPH WALDO EMERSON

April is Youth Month

Every child dreams about their future but some of those dreams may require money to come true. How do you help your children achieve their dreams? One way is to help them learn how to save their money. During the month of April, First California Federal Credit Union will be celebrating Youth Month, which is a program that helps teach and encourage kids to develop good financial habits. The theme this year is *The Science of Saving*, showcasing fun, sci-fi-inspired characters. Science has proven that if you start with small goals, saving your money can become a regular habit. This year's Youth Month inspires children to begin saving the money they earn so they can attain their dreams of a happy future. Every member under the age of 18 who opens a Youth Account during the month of April will receive a gift upon account opening.
