Employee Spotlight

Our Loan Department has recently grown! We have welcomed two new faces one of which is our new Operator. **Edgar** joined our team earlier this year after interning for us as a Duncan High School senior. As an intern Edgar always expressed great interest in the credit union asking questions to familiarize himself with our products and services. As our Operator Edgar has thrived, he is very friendly with members and is always eager to learn more. Edgar attends Fresno State University and is majoring in Business Management. We are so happy to have you back Edgar! Keep up the great work!

– ELEANOR ROOSEVELT

"You see, it's never the environment; it's never the events of our lives, but the meaning we attach to the events- how we interpret them- that shapes who we are today and who we'll become tomorrow."

– TONY ROBBINS
